It has come to the attention of the parties herein that United States Pretrial Services is unable to put Mr. Guimont on GPS monitoring until August 12, 2005, due to a problem in obtaining the necessary equipment. The court, as a condition of release, required that Mr. Guimont notify his employer of his charge and related pretrial release conditions by August 12, 2005. Due to Mr. Guimont's inability to physically comply with that condition until after his release, the parties hereby request that he be allowed until August 16, 2005, to comply with those conditions. Such a modification would serve the ends of justice, therefore,
